

1. Maps For Navigation / 2. Sustainability

GGR424 - Transportation Geography & Planning

Jeff Allen

University of Toronto

February 28, 2022

Announcements

- ▶ Transportation data analysis assignment due March 3
- ▶ Project Proposal due March 10
- ▶ Monday office hours 3:30pm to 5:00pm in SS5060 (I'll also keep my Zoom room open during this time)
- ▶ Friday office hours still only on Zoom, 2:30pm to 3:30pm

Today

- ▶ Maps for navigation
- ▶ Chat about final project
- ▶ Sustainable transport

Transportation improvement plan

- ▶ (5%) Project Proposal due March 10
- ▶ (5%) Presentations March 28 and April 4
- ▶ (25%) Final Report due April 8

A few project ideas:

- ▶ Improvements to problems that currently exist in the transportation landscape, e.g.
 - ▶ How to improve College St.
 - ▶ How to improve the Bloor-Danforth Subway Line
 - ▶ How to improve St. George Station
- ▶ Proposing new infrastructure
 - ▶ Plan and design a new LRT along Steeles Ave.
 - ▶ Can be in contrast to a currently proposed route (e.g. how would you design the Ontario Line?)
 - ▶ Improving cycling or pedestrian safety and connectivity in a specific neighbourhood or city
- ▶ Can be
